

Farrar Corporation Quality Policy

It is the policy of **FARRAR CORPORATION** to maintain a comprehensive quality program which will continually improve quality, reduce quality cost, and improve customer satisfaction and confidence in our products.

It is our **VISION** to strive to be a company that provides the highest quality products, services, and turnkey solutions.

FARRAR CORPORATION endorses the concepts of continuous quality improvement and total quality assurance. This approach emphasizes that quality is the responsibility of every employee.

FARRAR CORPORATION MISSION STATEMENT

Farrar Corporation is a vertically integrated company providing ductile iron castings, machining, and total quality service to original equipment manufacturing companies.

Farrar Corporation Quality Objectives

- 1) Reduce employee injuries.
- 2) Reduce scrap.
- 3) Increase on-time delivery.
- 4) Reduce customer returns.
